NOTICE OF LANDFILL PERMIT RENEWAL

Beaver County Special Service District #5 has submitted a permit renewal application to continue operation of the Class IVb landfill located near the town of Milford, Utah. The Class IVb landfill receives waste described in the permit application as non-hazardous construction/demolition waste, as defined in UAC R315-301-2(17); yard waste, as defined in UAC R315-301-2(85); inert waste, as defined in UAC R315-301-2(37); dead animals; waste tires, when the requirements of UAC R315-320 are met; petroleum contaminated soils, as allowed in UAC R315-315-8(3); and soils, as allowed in UAC R315-315-8.

The Division of Solid and Hazardous Waste has reviewed the permit renewal application and a draft permit has been prepared. Before taking action on the request, the Division is providing a public comment period to receive input. The public comment period on the draft permit begins April 28, 2008 and will end May 27, 2008. A public hearing may be held if, within 15 days of publication of this notice, a request is made to the Executive Secretary in writing and meets the requirements of Utah Administrative Code R315-311-3.

An unofficial copy of the application and the draft permit can be viewed on the Internet at www.hazardouswaste.utah.gov. Official copies are available for public review during normal business hours at the following locations.
